2026 EXHIBITOR PROSPECTUS

Event Details

Date: Friday, May 29th – May 30th, 2026

Location: Caribe Hilton, San Juan, PR

About Us

The Puerto Rico College of Emergency Physicians is proud to present the *Caribbean Congress on Emergency Medicine*. Our mission is to enhance the quality of emergency medical care for all residents of our island. Through comprehensive continuing medical education programs tailored for physicians, nurses, and emergency medical technicians, we strive to elevate standards and ensure excellence in emergency medicine practice.

Program Highlights

Renowned experts specializing in critical care, trauma, emergency medicine systems, and cardiovascular diseases will converge to share their insights as speakers in our scientific program. For three days, attendees will engage in enriching educational sessions, workshops, and discussions designed to expand knowledge and foster professional growth.

Attendance Expectation

With a track record of steadily growing attendance, we anticipate hosting 150-emergency room physicians and Emergency Medicine Residents at this year's convention. Our diverse audience brings together professionals from various disciplines within emergency medicine, creating a dynamic environment for learning and networking.

Why Exhibit with Us

Visibility: Showcase your products and services to a targeted audience of emergency medicine professionals from Puerto Rico

Networking: Connect with key decision-makers, thought leaders, and practitioners in the field.

Opportunity: Position your brand as a leader in the emergency medicine industry and demonstrate your commitment to advancing patient care.

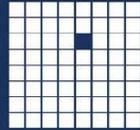

Join Us

We warmly invite you to participate in this important meeting. Your presence as an exhibitor would greatly contribute to the success of our event and support our mission of improving emergency medical care in Puerto Rico.
